

How awesome is this?

I got to meet Demi Lavado and Selena Gomez! 😊

My friend, Sydney from Orlando, won a Radio Disney prize pack which brought her to California to meet Demi Lavado and Selena Gomez. Sydney took me with her.

First, a limo with a driver named Al drove us to a “Got Milk” shoot with Demi Lavado.

She moosed her hair black so we didn't recognize her at first. We got a milk moustache which was really glue and paint.

You aren't supposed to drink it, but it dripped into my mouth and it tasted horrible!

After the Got Milk shoot, we got back in the limo and went to the Radio

Disney studio and got to meet Ernie D. from Radio Disney.

He was nice, and so was Jake who hosts “Celebrity Take with Jake!”

Then, the limo picked us up again with a lot of drinks and drove us to Disneyland.

When we got there, we got to meet Michel Musso who plays “Oliver” in “Hannah Montana”.

Then, we met Selena Gomez who gave me a hug and her autograph. Selena plays “Alex” in “Wizards of Waverly Place”. She was really nice and we had to wait an hour before we got to

meet her. We were the only ones who got to go inside the fenced in area.

Then we met Jennifer Stone who plays “Harper” in “Wizards of Waverly Place”, and Chester from Disney 365 on TV gave me a high five!

Then we went on the Matterhorn twice and we went to the bathroom. The bathroom stall doors had cards on them like the 3 of hearts.

Then I got a Pluto pillow and we went on the tram and ate almonds and drank water.

We watched the fireworks from the tram and from our car.

It was such a fun day.

I can't wait to do it again
[if I get to do it again.]
